▲	611	Drab Brown
✕	3021	Brown Gray-VY DK
♡	3712	Salmon-MD

Ann's original sampler is shown at right.

A few colors were modified for the reproduction, but purists, fear not! I've noted the changes in the instructions. Should you wish to replicate Ann's sampler more precisely, you will also need DMC 597, 3042 & 3808

Happy stitching!
