▼▼ A tiny token from me to thee ~ free! **▼▼**

Stitch count: 71w x 41h ♥ Stitched size: 4" x 2.25"

Supplies

36 count Lakeside Linen "Vintage Light Examplar" – 10" x 8" (allows for 3" linen on all sides of finished stitching)
Weeks Dye Works #2259-Cayenne floss

Fabric for back – 7" x 5"
Stuffing of your choice
Optional: red glass head pins for trim

Instructions

- 1. Full cross stitches are worked over 2 threads of linen using 1 strand of floss.
- 2. Petite stitches (used in letters/verse) are worked over 1 thread of linen using 1 strand of floss.
- 3. To make a little pinkeep, trim linen around finished needlework to ¾" on all sides.
- 4. Make a small cut in middle of the fabric for the *back* of your pinkeep. This will be your opening for turning and stuffing. It works much easier than leaving an opening on the bottom.
- 5. Place needlework and fabric for back with right sides together and pin.
- 6. Stitch around all sides (¼" seam allowance).
- 7. Trim away excess fabric and turn right side out.
- 8. Stuff with your choice of material
- 9. Whip stitch opening on back closed. If you like, you can cover your closing line with a little patch of wool or velvet ~ perhaps cut in the shape of a heart!
- 10. Optional for finishing: insert tiny red glass head pins all the way around.
